EXPERIENCE

Metropolitan State University of Denver, Denver, CO December 2024 - Present

Affiliate Professor

- Educate students at the undergraduate level in negotiations and contracts within the event and meeting industry, including topics like letters of agreement and contracts commonly used in the industry, including those related to hotels, convention centers, restaurants, special event venues, country clubs, and festival spaces.
- Facilitate practical activities, including simulated contract negotiations and revisions, for a variety of event types, enhancing students' understanding and application of contract management skills.

The Wallenstein Law Group, Houston, TX March 2021 – Present

Supervising Attorney

- Consult with clients regarding general corporate and business matters, including business expansion, formation, dissolution, and other ventures.
- Draft and review business and corporate governance documents and agreements, including consent resolutions, Board of Directors minutes, charter documents, SaaS agreements, purchase orders, service agreements, and other related documents.

Sequoia Legal, LLC, Greenwood Village, CO September 2020 - Present

Associate Attorney

- Consult with clients regarding international trade and general business and corporate law matters, including compliance with U.S. international trade and anti-corruption laws and regulations, business formation and operation, and Mergers & Acquisition.
- Draft and review business and M&A agreements and documents, including stock purchase agreements, service agreements, operating agreements, lease agreements, CFIUS legal opinions, export control legal opinions, and employee handbooks.

Law Clerk

- Researched and reviewed International Trade Law matters, including OFAC License guidelines, BIS Licenses, and Cuban and Iranian Sanction regulations.
- Drafted various documents pertaining to international trade and business law matters, including an OFAC Specific License Application, a CFIUS legal opinion, business demand letters, an export compliance program, and a CFIUS landing page.

University of Denver Community Economic Development Clinic, Denver, CO August 2019- May 2020

Student Attorney

- Researched legal matters for a local cosmetics company and established non-profit, including intellectual property concerns, business and legal entity formation, legal entity compliance, and license agreements.
- Drafted agreements for clients, including an intellectual property assignment form, in-depth consignment manual, operating agreement, maintenance letter, and tenant intake form.
- Presented comprehensive legal workshops regarding legal, tax, and operation responsibilities.

National Multiple Sclerosis Society, Denver, CO June 2019- August 2019

Legal Intern

- Conducted legal research on various business and IP topics including charitable annuity, conditional payments to Medicare, donor-advised funds, and drafted corresponding memoranda; successfully saved the Society approximately \$18,000 in conditional Medicare payments.
- Researched and drafted an employment law 50 states survey; reviewed and revised event contracts, sponsorships, nondisclosures, and hotel agreements.

Davis Graham & Stubbs, Denver, CO January 2019- April 2019

Law Clerk

- Researched contract, corporate, M&A, finance, tax, and real estate law issues; drafted findings and recommendations on issues such as voluntary disclosure agreements, HIPPA deidentification, SEC disclosures.
- Drafted real estate documents and other agreements, including memos, a warranty deed, a technical service agreement, a secretary agreement, and an equity contribution agreement.
